

Policy: Circulation of information for Member Organisations
Approved By: General Assembly
Approval Date: 3rd October 2020
Policy Holder: Policy Group

- i. The Council would normally circulate information on behalf of member organisations provided:
 - a. The event is organised with a view to attracting national attendance.
 - b. The issue is of national significance and of interest to the Panth.
 - c. The event or issue is not divisive in the Panth.
 - d. The material is clearly laid out as who is leading on the event, issue etc.
- ii. The information is electronically distributable.
- iii. There is no additional cost to the Council.
- iv. The materials do not promote those activities that the Council has decided it will remain silent on.
- v. The request for distribution will normally be restricted to no more than three times a year. However, when organisations are involved in campaigns of a Panthic nature which the Council has agreed to support then there will no such restriction.
